Skills

- **Languages**: C++, C, Python, Java script
- **Frameworks**: HTML, CSS, Node JS
- **Tools/Platforms**: MySQL, Figma
- **Core CS**: Data Structures and Algorithm, Operating System, Database Management System
- **Soft Skills**: Problem-Solving, Team Player, Project Management, Adaptability

Projects

Hosptial Management System | Github Aug 2025 – July2025

- Stores and manages patient records, doctor details, appointments, medical reports, billing, and prescriptions in a centralized system.
- Automates scheduling, admission, discharge, and communication between doctors, staff, and departments for faster and error-free operations.
- Deployed the full-stack system on XAMPP with a responsive UI and efficient database workflows.
- **Tech:** *PHP, MySQL, HTML, Tailwind CSS, JavaScript, XAMPP*

Farmer Protal | Github Feb 2025 – May 2025

- Provides farmers with updated information on crop prices, weather forecasts, government schemes, and best farming practices in one place.
- Helps farmers sell their produce directly to buyers or markets, reducing middlemen and improving profit margins.
- Offers access to expert advice, online resources, farming tools, and support services to improve productivity and decision-making
- **Tech**: *HTML, CSS, JavaScript, PHP, MySQL, XAMPP*

Training

CSE PATHSHALA – C++ Programming: OOPs and DSA Jun 2025 – July 2025

- Provides farmers with updated information on crop prices, weather forecasts, government schemes, and best farming practices in one place
- Includes coding exercises, examples, and problem-solving tasks to help students apply OOP concepts and DSA techniques in real programming scenarios.
- Prepares learners for technical interviews by covering essential topics like classes, inheritance, pointers, linked lists, stacks, queues, sorting, and searching algorithms.
- Libraries used: iostream, vector, queue, limits

Certificates/ Certification

- Training in C++ Programming: OOPs and DSA| Certificate July 2025
- Introduction to basics of finance – Simplelearn | Certificate oct 2023
- Fundamentals of Network communication | Certificate Sep 2024
- Responsive Web Design by Free Code Camp | Certificate Nov 2023

Achievements

- **Striver sheet online programming platform:** May 2025
  Completed 80% coding questions on easy, medium, hard mod
- **Volunteered in AARDIP service Organisation: |** Certificate Jul 2024
  Contributing towards improving the lives of farmers and supporting community development initiatives

Education

- **Lovely Professional University** Punjab, India
  Bachelor of Technology - Computer Science and Engineering(cse); CGPA: 6.3 Aug 2023 - present
- **Sasi Educational Institues** velivennu, Andhra Pradesh
  Intermediate; Percentage: 95.6% Jun 2020 – Mar 2022
- **Triumala EM High School** Bhimavaram, Andhra Pradesh
  Matriculation; Percentage: 90.6% Jul 2019 - Mar 2020
